Tournament will suffice. The email is sent to alexander.lumelsky@gmail.com.

If a candidate declines their nomination, either by emailing a statement of declination or failing to confirm their participation on or before the above deadline, the nomination will pass to a subsequent player in the following order:

If State Champion declines, the runner-up in the same section of the Championships will be offered the nomination. If the runner-up declines, the next highest scoring player in that category of the Grand Prix Standings not already selected will be offered the nomination.

If an NNGP selectee declines, the next highest scoring player in that category of the Grand Prix not already selected will be offered the nomination.

Substitute nominees notified before April 23, 2017 will have 48 hours to confirm their participation. Substitutes notified on or after April 23, 2017 will have 24 hours to confirm participation. Substitutes selected within two days of the event will have reasonable time at the Organizer's discretion to confirm their participation, but will be given at least 4 hours to make confirmation.

If a candidate confirms their participation but fails to participate on the day of the tournament without notifying the Organizer at the above email, they will be ineligible to participate in future National Nominations selection.

If on the day of the event, a candidate is not available, the Organizer will substitute the highest scoring and immediately available NNGP participant willing to substitute. If not available, then, for the sake of preserving a four player format, the Organizer may substitute any available player willing to participate as a straw player at the Organizer's discretion. The straw will not be prize or National Nomination eligible.
